THIS MEMORANDUM OF UNDERSTANDING (“MOU”) is entered into on January __, 2025, and is by and between the City of Indio and the City of Corona collectively referred to herein as the “Participating Agencies” or “Parties” or individually as a “Participating Agency” or “Party.”

RECITALS

A. From time to time, the Parties need to utilize off-duty law enforcement personnel (hereinafter “Off-Duty Personnel” as defined below) from other Participating Agencies to assist with staffing “Special Events” (as defined below) at their respective cities.

B. The Parties desire to have a common understanding and agreement regarding reimbursement for utilizing such Off-Duty Personnel and related equipment at Special Events.

NOW, THEREFORE, in consideration of such recitals, and the mutual promises, obligations and covenants herein contained, the Parties hereby agree as follows:

Section 1. The Parties accept the above recitals as true and correct and incorporate them herein as if they were fully restated in this MOU.

Section 2. For the purpose of this MOU the terms set forth in this Section have the meaning ascribed herein:

A. “Actual Overtime Rate” shall mean the rate of overtime pay for the specific rank or job classification of each Off-Duty Personnel actually paid or to be paid by the employing Participating Agency. The Parties acknowledge that the “Actual Overtime Rate” will vary among Off-Duty Personnel as well as among the Participating Agencies. For example, certain Off-Duty Personnel may receive pro-rata stipends and/or certificate pay. In such case, if the Participating Agency includes such pay as part of the Off-Duty Personnel’s overtime rate, then the Actual Overtime Rate will include such amount.

B. “Off-Duty Personnel” shall mean sworn peace officers, dispatchers, community service officers, reserve peace officers and similar employees of a Participating Agency’s police or public safety department, that are off-duty, and are not on-call, from the Participating Agency.

C. “Special Events” shall mean any festival, concert, parade, celebration, social gathering, or similar event held, sponsored, or permitted by a Participating Agency, and any protest, demonstration, or similar occurrence within the territorial jurisdiction of a Participating Agency for which that Agency has determined the need for additional Personnel. The Parties agree that Special Events includes, without limitation, the Coachella Valley Arts and Music Festival and Stagecoach Festival.

Section 3. The Parties agree that a requesting Party may utilize the Off-Duty Personnel and equipment, to the extent available and on the terms provided herein, of a Participating Agency to augment the requesting Party’s law enforcement staffing needs at Special Events. The requesting Party shall make a written request to the other Participating Party(ies) Chief of Police describing the Special Event, the relevant date(s) and time(s), the needed services, and the number of Off-Duty Personnel and the number and type of any equipment desired together with any other pertinent information. Each Chief of Police shall respond in writing within fifteen (15) days, or within such other time as is agreed upon by the requesting and

responding Parties, if the request can be accommodated. A responding Party has no obligation to accommodate a request unless, in the sole determination of the responding Party, it may feasibly do so without any undue hardship or material impact to its ability to provide public safety services within its jurisdiction. A responding Party has no obligation to compel or otherwise direct any Off-Duty Personnel to make themselves available in response to a requesting Party's request.

Section 4. The Parties agree that each requesting Participating Agency shall reimburse the other Participating Agencies that provide Off-Duty Personnel and/or equipment at the rates set forth in the following Rate Schedule. A Participating Agency will only be reimbursed for the actual Off-Duty Personnel and equipment supplied by it and only to the extent such Off-Duty Personnel and equipment was specifically requested by the Requesting Party.

Section 6. Each of the Parties is a public entity. This indemnity provision is written in contemplation of the provisions of Government Code Section 895.2, which impose certain tort liability jointly upon public entities, solely by reason of such entities being parties to an agreement as defined in Government Code Section 895. In the event a court of competent jurisdiction

construes this Memorandum of Understanding to be an agreement as defined in Government Code Section 895, each Party hereto, as between themselves, pursuant to the authorization contained in Government Code Sections 895.4 and 895.6, assumes the full liability imposed upon it or any of its officers, agents, representatives or employees by law for injury caused by a negligent or wrongful act or omission occurring in the performance of this MOU, including the performance of services provided by their respective Off-Duty Personnel, to the same extent that such liability would be imposed in the absence of Government Code Section 895.2. To achieve this purpose, each Party agrees to indemnify and hold harmless the other Party(ies) for any loss, cost, or expense, including actual attorneys' fees that may be imposed upon or incurred by such other Party(ies) solely by virtue of Government Code Section 895.2.

Section 7. This Memorandum of Understanding is deemed to have been prepared by all of the parties hereto, and any uncertainty or ambiguity herein shall not be interpreted against the drafter, but rather, if such ambiguity or uncertainty exists, shall be interpreted according to applicable rules of interpretation of contracts under the laws of the State of California.

Section 8. This Memorandum of Understanding may not be amended except by mutual consent of all the Parties. Either Party may terminate this Memorandum of Understanding upon seven (7) days written notice to the other Party at any time and without cause so long as the responding Party has not, in response to a request from the requesting Party, committed to provide Off-Duty Personnel and equipment for a Special Event that has not yet occurred.

Section 9. This Memorandum of Understanding shall be governed and interpreted according to the laws of the State of California. The venue for any action or claim shall be the County of Riverside.

Section 10. This Memorandum of Understanding may be executed in one or more identical counterparts and all such counterparts together shall constitute a single instrument for the purpose of the effectiveness of this agreement. Moreover, electronic, scanned or facsimile copies of signatures shall be accepted as valid and binding.

Section 11. Any notice required to be given to a Party shall be deemed duly given upon delivery if sent to the Participating Agency's Chief of Police and City Manager at the address of their respective city.

Section 12. This Memorandum of Understanding represents the entire integrated agreement between the Parties, and supersedes all prior negotiations, representations or agreements, either written or oral. This Memorandum of Understanding may be amended only by a written instrument signed by all of the Parties.

Section 13. In the event a dispute arises with respect to the interpretation or performance of all or any part of this Memorandum of Understanding, the Parties shall attempt in good faith to resolve the dispute. If such efforts prove unsuccessful, each Party agrees to consider the use of voluntary mediation prior to resorting to litigation. If mediation is utilized by the Parties, each Party agrees that no award or decision resulting therefrom shall include punitive damages. Should any dispute lead to litigation, the prevailing Party shall be entitled to recover from the other Party all attorneys' fees, experts' fees, and other costs actually incurred in connection with such litigation or other proceeding, in addition to all other relief to which that Party may be entitled.

Executed as of the day and year first written above.
