TO: Honorable Mayor and City Council Members
FROM: Finance Department

2025-301

REQUEST FOR CITY COUNCIL ACTION

SUBJECT:

RESOLUTION CERTIFYING THE RESULTS OF AN ELECTION AND ADDING TERRITORY TO COMMUNITY FACILITIES DISTRICT NO. 2016-1 (PUBLIC SERVICES) OF THE CITY OF CORONA (ANNEXATION NO. 27)

EXECUTIVE SUMMARY:

The property owner requests annexation into the City's Community Facilities District No. 2016-1 (Public Services) to provide police protection services (including but not limited to criminal justice services), fire protection and suppression services, and paramedic services ("Public Services") within and in the area of the District.

RECOMMENDED ACTION:

That the City Council adopt Resolution No. 2025-098, certifying the results of an election and adding territory to Community Facilities District No. 2016-1 (Public Services) of the City of Corona (Annexation No. 27).

BACKGROUND & HISTORY:

Community Facilities District No. 2016-1 (Public Services) ("CFD No. 2016-1" or "District") was formed by the City Council on March 2, 2016, pursuant to the provisions of the Mello-Roos Community Facilities Act of 1982 ("Act"), to provide Public Services within and in the area of the District. As part of the formation process and in accordance with the Act, the City Council also established an area designated as the "Future Annexation Area" for CFD No. 2016-1. Further, authorization was provided for annexing parcels within the

Future Annexation Area to CFD No. 2016-1. This would be accomplished upon the unanimous approval and election of the owner(s) of any such parcel, authorizing the levy of special taxes upon said parcel, and adoption of a resolution by the City Council certifying the results of an election annexing said parcel to CFD No. 2016-1. The annexation of parcels within the Future Annexation Area can be accomplished without any further public hearings or additional proceedings.

ANALYSIS:

2020 Jurupa Valley Group, LLC, (“Owner”) is the owner of a residential lot in the City of Corona, County of Riverside, State of California. The net acreage for the entire property in the boundary area is approximately 0.42 (“Property”).

The Owner has agreed to annex the Property into CFD No. 2016-1 for the purpose of providing Public Services within and in the area of the District, which is necessary to serve new development within the Property. The Property is within the Future Annexation Area and, thus, can be annexed to CFD No. 2016-1 with the unanimous approval and election of the Owner with tonight’s action.

Prior to tonight’s City Council meeting, the Owner executed the Consent and Waiver to Shortening of Time for Conducting a Special Election form, which is on file in the City Clerk’s office, and submitted ballots, which authorize the annexation of the Property to CFD No. 2016-1 and the levy of special taxes on the Property to pay for the Public Services.

The attached resolution will certify the results of the election on the annexation of the Property to CFD No. 2016-1 and annex the Property to CFD No. 2016-1.

FINANCIAL IMPACT:

Per the tax rate set by the Rate and Method of Apportionment (“RMA”) of CFD No. 2016-1, the maximum special tax rate for CFD No. 2016-1 is \$783.14 per single-family and \$543.34 per multi-family residential unit for Fiscal Year 2026. The RMA provides for an annual escalation up to the greater of 4% or the Consumer Price Index (CPI) on July 1 of each year, subject to the approval of the City Manager.

On March 1 of each year, every residential building for which a building permit has been issued will be subject to special taxes in the ensuing fiscal year. Approval of the attached resolution is anticipated to result in approximately \$4,890 of additional annual special tax revenue per year when the Property is fully developed as planned. The total annexation cost is paid by the Owner.

ENVIRONMENTAL ANALYSIS:

This action is exempt pursuant to Section 15061(b)(3) of the Guidelines for the California Environmental Quality Act (CEQA), which states that a project is exempt from CEQA if the activity is covered by the common sense exemption that CEQA applies only to projects that have the potential for causing a significant effect on the environment. Where it can be seen with certainty that there is no possibility that the activity in question may

have a significant effect on the environment, the activity is not subject to CEQA. This action merely annexes the Property to CFD No. 2016-1 in order to provide funding for police protection, fire protection and suppression and paramedic services and there is no possibility that adopting this resolution will have a significant effect on the environment. Therefore, no environmental analysis is required.
