

National Fire Pup Day

October 1, 2025

Do you know what to do in an emergency?

Sign up for the Community Emergency Response Team (CERT) training with your City of Corona Fire Department.

The CERT class provides hands-on training for all types of emergencies.

You'll learn:

- + Fire Safety
- + Disaster Medical Operations
- + Search and Rescue Techniques
- + Team Organization

CERT training is a 20-hour commitment (participants must attend all 20 hours). Only those who complete the practical exercises with the instruction will receive a certificate of completion. Class size is limited to the first 40 people to register.
