AGAINST HUMAN TRAFFICKING

Youth against Human Trafficking

Our Story

- Started with a club (Human Trafficking Awareness Club)
- Why we created Youth against Human Trafficking
- Our mission

Youth against Human Trafficking

Drives

- ✦ Hosted a drive through our chapter at JFK, HTA, and collected over 500 donations
- ✦ All donations went to a nonprofit that we collaborated with, CAST LA, to go directly to survivors
- ✦ We will be continuing doing drives in the future, likely continuing our partnership with CAST LA and expanding to collecting constant donations through donation boxes

Volunteering

- Over 80 active youth volunteers from around the world have joined our organization
- We plan to continue growing this community of justice seekers
- Volunteers will be utilized to expand and create chapters worldwide

Youth against Human Trafficking

YAHT Chapters

- We started our first club chapter in 2022, called Human Trafficking Awareness.
- Expanding Our Impact – CNUSD District Chapters

Website

- Using HTML and Google Sites, the nonprofit's message and initiatives can be shared for free without outside website creators like WIX
- Volunteers can track their hours directly on the website
- Volunteers can view upcoming drives and access additional resources

Needs & Support

Support in finance and advertisement is needed to properly carry out our purpose of a nonprofit. This mainly includes:

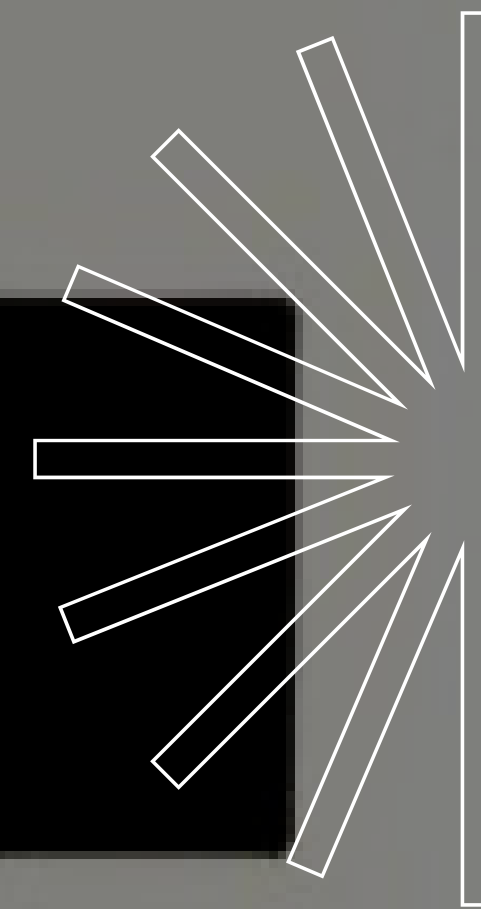

- advertising throughout the city and public spaces
- donations and/or grants
- public support in fundraisers
